

Simple Wall Repair for Artist Coursework

You must complete the coursework, 'Simple Wall Repair for Artist', before you can schedule an exhibition space in the Visual Arts Center.

We recommend you print out the 'Simple Wall Repair for Artist Study Guide', found at the end of this document, before viewing the video [link-Simple Wall Repair for Artist - Video](#), so you can fill out the answers to the questions while viewing.

After completion of the document, 'Study Guide for Simple Wall Repair for Artist' bring it to the Woodshop so it can be recorded in the database.

Wall repair can take a couple of days so we strongly suggest you remove your work and start the wall repair on Friday.
